

WHPSC 2019 Schedule of Events

Racing Courses

The Qualifying course is on SR 305.

Qualifying will be held on this course before the morning speed trials allowing racers to qualify on the world record course with a two-mile run up, to a 200 Meter time trap.

The Speed Trials course is on SR 305.

This course has a five-mile run up with a 200-meter trap.

Only racers who qualify in the top 12 will be eligible to ride in the evening session.

There will be multiple sessions per morning and 3 sessions per night, each lasting 20 minutes. We will attempt to launch 4 bikes per session, two to three minutes apart.

There are mileage marker signs for the racers.

Note: Distance along the course is marked **in miles** with signs counting down from 5 miles to the finish line.

WHPSC Schedule of Events:

Daily Schedule of Events

Friday September 6th - Saturday September 15th, 2019:

Friday & Saturday, September 6-7

Ready Course- Officials and volunteers will meet, go out to the course attach plywood to bridge, mark road for sign placement, place course marking signs and traffic control signs in bushes, set up snow fencing around spectator area, position bleachers, place hay bales near dangerous obstacles, and mark location for porta potties. Racers are encouraged to help if they are already there.

Saturday Sept 7

Start vehicle check in- teams register, pay entry fees, **tech inspection.**

7:00 pm: Meeting at the Battle Mountain Civic Center – 625 S Broad St

All Racers, officials and volunteers. Introductions, registration, choose heats for qualifying Monday morning, assign volunteer jobs and give overview of event info. It is mandatory for all racers to be present at the meeting

Sunday Sept 8 Schedule:

7:00 am - 10:00 am Qualifying

All entries must qualify. Each rider will have a qualifying run time assigned to them after the Sunday meeting.

We will qualify groups of 3-4 bikes per session, two to three minutes apart.
We will run as many sessions as possible between 7:00am and 10:00am.

SPECIAL NOTE:

Ndot is very strict about the enforcement of the 20-minute road closure time.

Teams must be ready to run when it is their turn.

Teams may not have the opportunity to immediately restart after a drop, and may have to return to the end of the line to restart. The next rider should be "on deck" and ready.

11:00am and 8:00pm daily: Civic Center wrap-up meetings

Heats will be chosen by percentage for each evening session and following morning session. (See start order procedures)

Late entries need to inform officials if they want to qualify at the 11:00 meeting.

Post Race Meeting Schedule:

- Review of safety and hazards
- Confirmation of officials for the next session/day
- Other events scheduled
- Announcement of results
- Open questions and discussions
- Assign start order for next session(s) (11:00am only)
- Adjournment
